

specification: pull up banner

Our Pull up banners are very popular because they're quick and easy to use. They can be assembled and retracted in seconds.

It is lightweight and has an aluminium stand and mechanism. It comes with a quality carry case. The banner itself is printed in full colour onto curl resistant banner material which prevents the unsupported edges of the banner from curling.

Once a banner stand has been purchased the banner can be replaced numerous times and we can reprint and replace your banner for you.

Simply send us your print-ready artwork or our in-house team can create a design to exact requirements.
